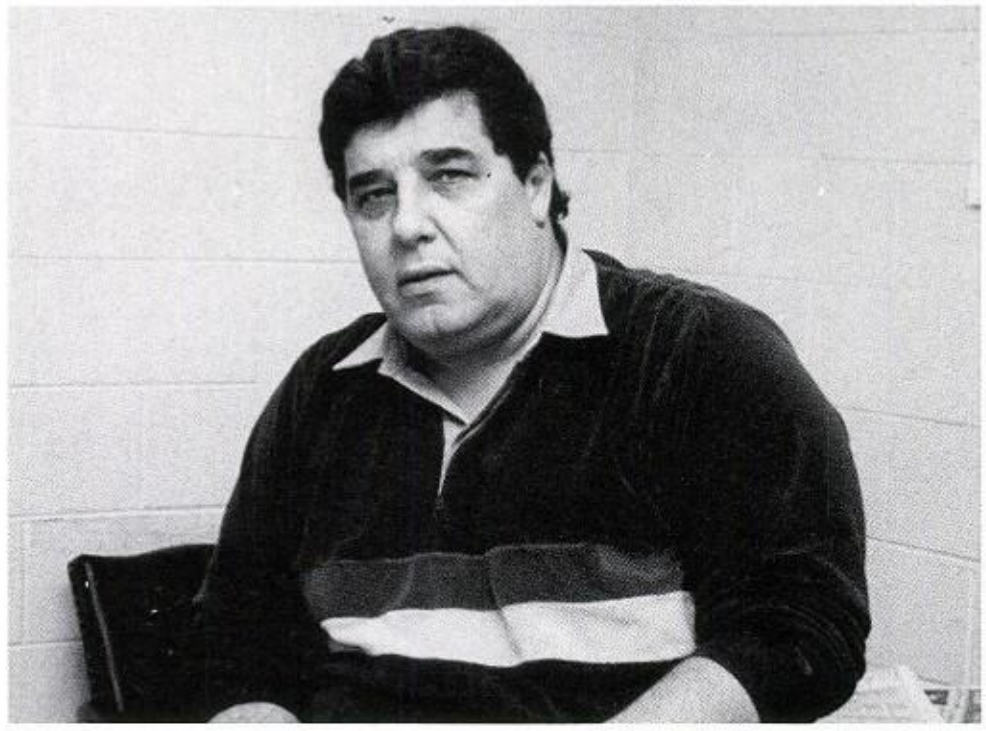
# ADMINISTRATION



Dr. Bruce Troutman, principal of Near North, runs a taut ship from his command post in the main office. Timothy Ryan, Engineer Custodian, sees that Near North functions from his station deep in the bowels of the main building. Mrs. Evelyn Schultz, chief clerk, keeps the paperwork to a manageable level.

Assistant principals Jimmie Johnson and Faye Grays maintain discipline and program students.

Counselors Mary Reffells, Albert Dru, and Johnny Walker advise and prepare students for the future.
